# THANK YOU

I would like to write to each of you and send my thanks for the wonderful cards, letters, and prayers, sent my way when Davie passed away, but it is just more than I can manage. I do appreciate your kind thoughts and thank you very much. Please accept this as my personal "Thank You" to everybody.

I am going to try to carry on for Davie and grow the hibiscus he had started for sale. If you are in this area please stop by and give me advice with this project. I don't know too much about the nursery. Just stop by and visit awhile if you are near here.

Thank you again,

Edna Donaldson
